

SOP: Creating a Sold Listings Report

1. To download the report, select “Inventory Reports” from the Drop-Down Menu of the “Inventory” tab on the top menu of Seller Central.
2. On the next page, select “Sold Listings Report” from the “Select Report Type” Drop-Down Menu provided.
3. Select the number of days for your report from the Drop-Down Menu provided, namely 7, 15, 30 or 60 days.
4. You can now click the “Request Report” button.
5. Your report will appear in the table below with a “Pending” status.
6. Once it is ready to be downloaded, the status will change to “Ready” and you will see the “Download” link has become live.
7. Click on this “Download” link and download your report to your computer as needed.
