

SOP: Seller Fulfilled Prime Trial Period

1. During the trial period, you must meet the following performance requirements on a minimum of 50 Prime trial orders:
2. An On-Time Shipment Rate of at least 99% for Prime trial orders. Regardless of the shipping speed selected by the customer, Prime trial orders must be shipped on the same day the order is received, as long as the customer places the order before the seller's cutoff time.
3. Use of Buy Shipping Services for at least 98% Prime trial orders.
4. A cancellation rate of no more than 0.5% for Prime trial orders.
5. Make sure that you only add SKUs to the Prime Shipping template that you can fulfil quickly in order to maintain these metrics.
6. Until you complete the trial period, Seller Fulfilled Prime will not be active on your account and the Prime badge will not be visible on the items you have enrolled in Seller Fulfilled Prime.
7. If your metrics fail during the 50 trial orders, you will have to start your 50 trial orders all over again from scratch.
