

SOP: How to Set the Available Quantity for Merchant Fulfilled SKUs

1. Select “Manage Inventory” from the Drop-Down Menu of the “Inventory” Tab on the Top Menu of Seller Central.
2. On the next page, locate your new Merchant Fulfilled SKU.
3. Because the new SKU is now Merchant Fulfilled, you will be able to set the actual quantity available in the “Available” field alongside it.
4. If you are not yet ready to ship this SKU then put 0 in the “Available” field for the time being.
5. Click the “Save all” button at the top right side of the table to save your changes.
