

SOP: Creating a Listing Quality and Suppressed Listing Report

1. To download the report, select “Inventory Reports” from the Drop-Down Menu of the “Inventory” tab on the top menu of Seller Central.
2. On the next page, select “Listing Quality and Suppressed Listing Report” from the “Select Report Type” Drop-Down Menu provided.
3. Select your Report Format, either “Excel” or “Text”.
4. Select the Lookback Date as required.
5. Select the date after which listing were created from the Drop-Down Menu provided alongside the “Listings Created After” section.
6. Select the Status Filter from the Drop-Down Menu provided, these statuses being “Active”, “Inactive”, “Incomplete” or “Inactive (Out of Stock)”.
7. You can now click the “Request Report” button.
8. Your report will appear in the table below with a “Pending” status.
9. Once it is ready to be downloaded, the status will change to “Ready” and you will see the “Download” link has become live.
10. Click on this “Download” link and download your report to your computer as needed.
