

SOP: Creating an All Orders Report

1. In order to create an All Orders Report, select “Fulfillment” from the Drop-Down Menu of the “Reports” Tab on the Top Menu of Seller Central.
2. Under the “Sales” Header to the left of the page, click the “All Orders” link.
3. On the next page, select whether you wish your report to be for an Order Date from the Drop-Down Menu provided, in which case, select the date from the Drop-Down Menu Available or choosing “Exact Dates” from the Drop-Down Menu and entering the “From” and “To” dates respectively from the calendar icon to the right of each.
4. Alternately, you can select “Last Updated Date” from the Drop-Down Menu provided and select the date from the Drop-Down Menu Available or choosing “Exact Dates” from the Drop-Down Menu and entering the “From” and “To” dates respectively from the calendar icon to the right of each.
5. Click the “Request Download” button.
6. In the table below, the “Report Status” Column will show the status as “In Progress”.
7. Once the report is ready for download, this status will change to “Download”.
8. Click this “Download” button in the “Report Status” Column in order to download your report.
