

SOP: Editing a Lightning Deal

1. In order to edit a Lightning Deal, select “Deals” from the Drop-Down Menu of the “Advertising” tab on the top menu of Seller Central.
2. On the following page, you can enter the ASIN or SKU you know is in your Deal in the search bar, select the status of your Deal from the Drop-Down Menu provided under “Status”, select your Lightning Deal from the “Type” Drop-Down Menu provided and the date option in the Drop-Down Menu of the “Dates” option.
3. Once you have located your Lightning Deal and it is either in the Status Mode of “Running”, “Upcoming”, “Needs Attention” or “Draft” you can proceed to edit it by selecting “Edit” from the Drop-Down Menu of the “View” button to the right of the Deal.
4. You can then choose to change the dates the Deal will run under the “Schedule Deal” tab and/or remove, add or edit your ASIN or SKU offerings under the “Configure Deal” tab.
5. Once you are happy with your amendments for each page, click the “Continue to next step” button to save your changes under that particular tab.
6. Once you are happy with your edits, click the final “Continue to next step” button on the “Configure Deal” tab page.
7. You can then review your edited Deal again on the “Review and Submit” tab and click the “Submit Deal” button at the top right side of the page.
8. You can also choose to cancel the edits on any of the tabbed pages by clicking the “Discard edits” link in the top right side of the page.
9. You can also edit your Lightning Deal by clicking the “View” button to the right of the Deal to open the Lightning Deal page itself and then click the “Edit” button in the top right side of the page.
